

Fraud, Waste & Abuse (FWA) Training Attestation

NAME:

Compliance is everyone's responsibility! Every year, billions of dollars are improperly spent because of Fraud, Waste, and Abuse (FWA). It affects everyone, including you. FWA training helps you detect, correct, and prevent FWA and non-compliance issues. You are part of the solution. As you provide health or administrative services for Baylor Scott & White Health Plan (BSWHP), every action you take potentially affects our members as well as State and Federal Programs.

If you have any questions or need assistance with this process, please contact our Compliance department at HPCompliance@BSWHealth.org or Customer Service Department at 844.633.5325.
